Sub.: Clarification w.r.t. Audio Recording uploaded towards Q3FY25 earnings call dated 30th January 2025

Dear Sir/Madam,

This is with reference to the corporate announcement made by the Company on January 30, 2025 w.r.t. Audio Recording of Earnings Call for the quarter ended December 31, 2024.

We would like to clarify that during the Q3FY25 earnings call, the revenue figures in USD million for TNQ Tech were inadvertently misstated:

- At 30:45 minutes, while responding to Ms. Grishma Shah's question on TNQ Tech's quarterly revenue, the figure mentioned was \$10 million, which was a miscalculation. The right value is around \$8 million.
- At 40:57 minutes, while responding to Deekshant B's question on TNQ Tech's annual revenue, the figure mentioned was \$40 million, which was also a miscalculation. The right value is around \$33 million.

The above information will be updated in the transcript as well.

We regret the inadvertent error and request you to take this clarification on record.

Thanking you,

For Datamatics Global Services Limited
